VOL. XXIV NO. 110.

PADUCAH, KY., THURSDAY EVENING, NOVEMBER 5, 1908

TEN CENTS PER WEEK

POLICE PUZZLED BY STRANGE CASE OF MANY ALIASES

Prisoner Says He is Army Deserter When Charge is Made Against Him.

Called Smith, Jones, Thomas and Caudle.

FALSE PRETENSE IS ALLEGED

In the arrest of a young man, believed to be a deserter from the army and a general crook, by Patrolman Tobe Owen, the police department has a puzzling case on hand. The man is known by many aliases, and the police have been unable to learn definitely his first name. He was arrested on a charge of converting the money of another to his own use, and the warrant was sworn out for Smith or Jones, but Patrolman Owen was given the name of Virgil Thomas. Detective Lige Cross hustled about, and an alleged crook told the detective that the man's real name was Frank Mullen, alias Snow, and that he was a man to be watched. To add to the confusion of names, Patrolman Owen led the man to jail. Before the prison was reached Patrolman Owen was taken into the man's confidence and he said his real name was Eliza Caudle. Since the police are bewildered with names it is uncertain, but he is called Caudle now. Caudle is alleged to have sold Clyde Torrence a wheel for \$2, and later it developed that it was not Caudle's wheel. A warrant was issued for his arrest, and he was caught yesterday afternoon. He appears brighter than the average crook, but the police believe they have a strong case against him. The police were investigating the elv that he was a deserter, and this morning Caudle said he was a deserter, and said he enlisted in the army at Columbus (O.) barracks, and was in the Twelfth battalion. A telegram has been sent, asking if it is true, as it may be a scheme of Caudle to avoid being sent to the penitentiary for obtaining money by false pretenses. Caudle is a young fellow, and has been in Paducah for several weeks. He came to Paducah with a woman and they have resided on Clay street this morning they were not married. Pending the arrival of the information from army headquarters the police will investigate Caudle's record.

Bryan's Congratulations

Lincoln, Nov. 5.—Bryan telegraphed Taft: "Please accept congratulations and best wishes for the success of your administration."

BLIHU ROOT WILL BE CHIEF JUSTICE IF HE WISHES IT

New York, Nov. 5.—A great fight for senator is promised as to Platt's successor. Joseph Choate, General Horace Porter, Congressman Herbert Parsons and J. Sloan Fassett, former Governor Black and State Chairman Woodruff and E. H. Butler, owner of the Buffalo News, are avowed candidates. Root is expected to get into the race unless he is appointed chief justice of the United States supreme court. It is understood Taft will make the appointment if Root will accept.

WEATHER.

Fair tonight with temperature below freezing. Friday fair and rising temperature. Highest temperature yesterday, 58; lowest today, 31.

Monument to Gen. George Rogers Clark Unveiled This Afternoon at Fort Massac Near Metropolis

Fifty Excursionists From Paducah Attend Ceremonies—Descendants of Clark Family Present.

Paducah is represented by fifty citizens at the unveiling ceremonies of the monument erected at Ft. Massac, Metropolis, in honor of George Rogers Clark. The unveiling ceremony was held at 2 o'clock this afternoon at Fort Massac park. The Paducah delegation went to Metropolis on the George Cowling this morning at 10 o'clock and will return this evening at 6:30 o'clock. The Paducah chapter, Daughters of the American Revolution, attended the ceremonies in a body and the Paducah chapter was entertained at dinner by the Metropolis chapter D. A. R.

Mrs. W. G. Whitefield and Mr. George C. Wallace, great-great niece and great-great nephew of George Rogers Clark, attended the unveiling. Those who went to Metropolis from here were: Mesdames Eli G. Boone, James Baldwin, Edward Bringham, Mary Boswell, L. S. DuBois, Armour Gardner, George B. Hart, David G. Murrell, Laura Mitchell, Sallie Morrow, Nancy Moore, M. B. Nash, Edmund M. Post, Roy McKinney, S. B. Pulliam, Luke Russell, Hubbard S. Wells, I. O. Walker, Hal Walters, T. E. Holland, Misses Mattie Fowler, May Edna Martin, Anne Sherrill Baird, Elizabeth Caldwell, Emily Morrow, Mildred Terrell and Harry Williamson, and Messrs. Eli G. Boone, Dr. D. G. Murrell, Rev. S. B. Moore, W. G. Whitefield, Capt. J. A. Williamson, Major J. H. Ashcraft, Dr. Harry Williamson and H. S. Wells.

The unveiling was performed by Miss Beatrice Chouteau Turner, a great-granddaughter of General Clark. Governor Deneen, Secretary of State Rose, Senator Helm, Prof. Blair, of the University of Illinois, and the Rev. T. D. Latimer are on the program. Several hundred members of the Illinois State D. A. R. went to Metropolis from Jacksonville, where the annual meeting was concluded yesterday.

CABINET FOR TAFT BEING OUTLINED BY POLITICIANS

Washington, Nov. 5.—The annual cabinet slates, which invariably follow the election of the new president, are making their appearance, and political wisecracks are busy in forecasting the names of those who will make up President Taft's official family. Of course there is no authoritative ground whatever for the mention of specific names in connection with the new cabinet, as Taft has not given the slightest intimation of his intentions, so far as can be learned. However, one of the first to appear makes these suggestions:

Secretary of State—Elihu Root.
Secretary of the Treasury—Myron T. Herrick, of Ohio, or A. B. Hepburn, of New York.
Secretary of War or Attorney General—Luke Wright.
Postmaster General—Frank M. Hitchcock.
Secretary of Commerce and Labor—W. P. Hepburn, of Iowa.
Secretary of Agriculture—James S. Wilson.
For the navy and interior departments the names of Senator Crane, of Massachusetts; Charles F. Brooker, of Connecticut, and John Hays Hammond, of California, are mentioned.

Farmers' Union Meeting.
Mr. R. L. Burnett, secretary and treasurer of the Kentucky State Farmers' Union, will leave tomorrow for Webster county, where he will speak Saturday at a county union meeting. November 9 he will leave for Laurel county and will organize a county union. It will be two weeks before Mr. Barnett will make an address before the Farmers' Union meeting at Lone Oak.

Gott Claims Election

A mistake was made in tabulating the vote received for county jailer by Henry Houser and Sam Gott. It is claimed and that the majority on the face of the returns is 31 for Houser. On account of the vote being so close it will take the official count to decide. The count will be made tomorrow if Judge W. A. Berry, who is chairman of the committee, is able to be out.

FIRST COLD WAVE REACHES PADUCAH ---DOWN TO 40

The first cold wave of the season arrived in Paducah on time as scheduled by the weatherman. It was not any surprise as yesterday afternoon the wind was chilly and it grew colder steadily until the mercury dropped to 26. This is the coldest this autumn, as the low record was 10 degrees, but Jack Frost was here in force. Ice was formed on the ponds and gutters about the city and many cooks found a thin scum of ice in the kitchen this morning.

The cold wave came from the north west and was predicted by the weather bureau, but tomorrow by noon relief is promised. Mr. William Borneman, the local weather observer, says there are no indications of rain although early Wednesday morning there was a slight rainfall. One-tenth of an inch was registered by the government instrument.

Overcoats were worn today, while the football players drew a deep breath and looked as if they wanted to charge. The coal dealers took the change agreeably, and not one has kicked.

Want to be Senator

Cleveland, O., Nov. 5.—Congressman Burton announced his candidacy for senator. Vorvys, Taft's manager, also is a candidate. It is believed Charles Taft, brother of the president, will enter the race.

Bardwell Loses Suit

Frankfort, Ky., Nov. 5.—(Special.)—The court of appeals decided the city of Bardwell must send back to the Southern Engine and Boiler works the engine which it got to run the city electric plant and then refused to pay for on the grounds that the engine was defective and that they had already exceeded its constitutional indebtedness.

NO TEACHER MAY BE APPOINTED TO DEPARTMENT WORK

It is doubtful whether the school board will elect a successor to Prof. Frank Cheek, who resigned last week, as the treasury is not full. When seen this morning Superintendent J. A. Carnegie said that the reduction of one teacher hampers the work, and it was necessary to drop two studies in the departmental work. Miss Emma Aecker, who has been teacher in drawing and music, has met Professor Cheek's classes in history, civics and physiology. The absence of a man to have charge of the boys on the grounds is annoying to Superintendent Carnegie. Prof. W. A. Suggs is busy with classes and is unable to be on the grounds at recess. The school board met Tuesday night, but adjourned until next Tuesday night.

No School at Whittier.

No school was held in the first grade of the Whittier school today owing to the discovery of a second case of diphtheria among the pupils. The children were dismissed and the school officials immediately began the work of fumigating the room to prevent it spreading. Dr. H. P. Sights, city health officer, assured Superintendent Carnegie that there would be no danger tomorrow, and the session will be resumed. Nevertheless the number of cases of diphtheria and scarlet fever in the schools has had a detrimental effect on the attendance, and it is estimated that at least one-third of the children are out from the school. In the other school buildings only a few pupils have been withdrawn.

Political Felicitations

Postmaster Fisher today received advice from Speaker Cannon's private secretary that Cannon's majority would go over 10,000 in his district. Postmaster Fisher wired National Chairman Hitchcock, who is a personal friend of his, as follows: "Heartiest congratulations. You are the greatest ever." FISHER. Hitchcock replied yesterday: "Frank M. Fisher, Paducah, Ky.—Thanks for your congratulations." HITCHCOCK.

BUSINESS BOOMS IN WHOLE NATION AFTER ELECTION

Railroads Place Orders With Steel Mills and Factories Resume Operation.

Orders Contingent Upon Taft's Election.

IMMIGRANTS ARE COMING IN

New York, Nov. 5.—Post election business activity is reported throughout the country. Manufacturers are preparing to fill big orders. The United States Steel company agreed to reduce the price of steel rails from \$28 to \$24 a ton. Railroads therefore promised to place immediate orders. The Pennsylvania shops at Pittsburg put on a full force for the first time in a year. The American Nut and Bolt Works announced a 20 per cent increase in wages.

The Clark Millend Thread Works, at Newark, will begin operating full time Saturday. Ten metal factories at Plainfield, N. J., will resume Monday.

Taft Hebed Some.

St. Louis, Mo., Nov. 5.—The election of Taft has made good orders for dry goods from wholesale houses here amounting to over a million dollars. About half of these orders go to the American Print company, Fall River, Mass. The goods were ordered some weeks ago, but all contracts carried a proviso that they were to be void provided Bryan carried the country. Leading dry goods men here estimate that the orders to eastern houses within the next few days will run away up into the millions, as they have been holding back in all lines through fear of the demoralizing effect of a Bryan victory.

Stimulates Emigration.

Rome, Nov. 5.—The election of William H. Taft to the presidency has produced general satisfaction. The dispatches announcing his success were at once communicated to King Victor Emmanuel, the pope and the duke of Abruzzi. The general opinion is that Mr. Taft's election will mean the continuous of stability and a revival of business. In view of this belief many thousand Italian laborers expect to emigrate to America.

Deep Waterway Bonds

Chicago, Nov. 5.—The constitutional amendment, allowing Illinois to issue bonds to build the deep water way apparently is carried.

Chicago Party Coming

Thirty members of the Chicago Association of Commerce will make Paducah a neighborly call next Monday morning. They will arrive at 7:45 o'clock in the morning and leave at 1:35 p. m. for Fulton and a week's tour through the south. The delegation from Chicago is composed of business and professional men, who convey kindly greetings of Chicago to their neighbors in the south. The Commercial club will have a committee to meet this delegation at the train and show them the city and a royal good time.

SHOP FORCE CUT DOWN FOR WINTER ---SHORTER HOURS

Following the usual custom the force of the Illinois Central railroad shops will be reduced 25 per cent tomorrow morning, and the time reduced to eight hours a day. The reduction and layoff is an annual one, and it has been expected for some time. Notice was received late yesterday afternoon that beginning Friday morning the car, machine and boiler departments would run eight hours a day instead of nine hours. This morning Master Mechanic J. H. Nash announced that a reduction of approximately 25 per cent would be made, which will mean that about 200 men will be thrown out of work. There is plenty of work in the yards to keep the men busy as the short force last winter and spring allowed the repair work to accumulate. In the round house on the running repairs there will be no decrease, and the department will continue to work ten hours a day. The orders from Chicago do not make any explanation and all that the local officials could do was to enforce them.

DEMOCRATS SEEK NOMINATION FOR FOUR YEARS HENCE

St. Paul, Nov. 5.—The re-election of Governor Johnson for his third term is probable and the removal of Bryan as a presidential possibility, caused Johnson's friends to start his boom for 1912. They believe the Democrats will flock to Johnson's standard at the next convention.

Culbertson's Friends.

Austin, Tex., Nov. 5.—A boom for Senator Culbertson for the Democratic nomination in 1912 is started. Friends are determined to push him at the next convention.

DREW STARRETT BROUGHT HOME FOR TREATMENT

Mr. Drew Starrett, who was stabbed in the left arm and back several times last Saturday in a fight at Blytheville, Ark., was brought to this city today and taken to the home of his brother, Mr. George Starrett, 342 Ashbrook avenue, Mechanicsburg. Mr. Starrett, who is 28 years old, is in a serious condition.

Morse-Curtis Jury Out.

New York, Nov. 5.—The Morse-Curtis jury, which retired last night, is still out at 2 o'clock and it is believed it has not agreed.

Greek Invokes Law

Will Greek, a pop corn and peanut vender, appealed to Magistrate Emery this morning to assist him in recovering a push cart that had been stolen from him by another Greek and shipped to Indianapolis. The machine had been shipped to Greek from Chicago and the bill of lading stolen by someone who reshipped the cart. An order was granted ordering the railroad company to return the property here.

CUSTODIAN OF COURT HOUSE IS WANTED BY COURT

The selection of a custodian of the court house and manager of the county heat and light plant was deferred by the fiscal court in adjourned session today on account of the absence from the city of Jailer Eaker. It is hoped that an arrangement will be made with the jailer to take the place heretofore. The selection of a custodian is made necessary under an act of the last general assembly, which gives the fiscal courts of counties in which there are first and second class cities control of the county court house and the power to elect a custodian.

Aside from the regular routine business the court rescinded the order that the Layne road be graveled this fall because of a misunderstanding between W. S. Gholson, the contractor, and the owner of the gravel pit where the gravel was to have been procured. A new contract for gravel could not be obtained and the work done before winter, so the order was rescinded.

The court ratified contracts made with W. L. Layne to gravel one mile and a half of the Potter shop road at 6 1/2 cents a foot and with Henry Secher to gravel the same distance of the Lovelaceville and Florence station road at the same figure.

Iowa 70,000 for Taft.

Des Moines, Nov. 5.—More complete returns indicate that Taft's plurality in Iowa exceeds 70,000, about 6,000 more than given McKinley in 1896, and more than the normal Republican plurality.

TAFT CARRIES MISSOURI BY SMALL MAJORITY---HADLEY SCORES SWEEPING VICTORY

Other State Offices in Doubt and Stone Defeats Folk in Senatorial Primary.

HARMON ELECTED GOVERNOR OF OHIO BUT THE LEGISLATURE WILL NAME REPUBLICAN SENATOR

Remainder of State Ticket is Republican---Liberal Element in Cities Defeated Harris in Revenge.

St. Louis, Nov. 5.—By latest returns Taft apparently carried Missouri with 18 counties out he has a lead of nearly 100. Other counties are expected to increase this plurality. Hadley is elected governor by between 15,000 and 20,000. Both sides claim the rest of the state ticket. Republicans have the better chance. The legislature is in doubt, Democratic probably by small majority on joint ballot. Stone leads Folk by 1,500 for the Democratic senatorial nomination. McKinley leads Kerens 13,000.

The returns today are so meager they are not being tabulated, and neither Bryan nor Taft will have a thousand majority. The official count may be needed. The Democrats claim ten in the legislature and the Republicans admit eight. Stone and McKinley are winners in the senatorial primary. Booher, Democrat, wins in the Fourth congressional district.

Republican Senator in Ohio.
Columbus, O., Nov. 5.—Harris and the Republican committee concede the election of Harmon, Democrat, for governor. The rest of the state ticket is Republican. The legislature is safely Republican. The liberal element defeated Harris, who signed the local option bill. The regular session of the legislature meets in January, 1910. Foraker's term expires in March, 1909. Republicans are planning having Governor Harris call a special session the coming January to elect Foraker's successor; so Harmon cannot appoint him.

Taft Wins in West Virginia.
Wheeling, Nov. 5.—The latest returns indicate Taft's majority in West Virginia is over 20,000.

The Result in Illinois.
Springfield, Nov. 5.—Almost the full figures are in and show Deen's majority is 20,000. Taft's is about 125,000.

Taft Leads in Maryland.
Baltimore, Nov. 5.—Latest returns show Taft is still leading in Maryland by 146. The official count is begun and will be required to decide.

Bryan 10,000 in Kentucky.
Louisville, Ky., Nov. 5.—(Special.)—No news was received from the state this morning to change the vote in Kentucky. Bryan's majority is a little over 10,000 and there is no doubt about Bennett and Langley.

Warner Wins.
Detroit, Nov. 5.—Returns practically complete indicate that Warner, Republican, won by 10,000.

Change in North Dakota.
Fargo, N. D., Nov. 5.—Latest returns indicate a change in the estimated outcome. Johnson, Republican, apparently overcomes Burke's, Democrat, lead for governor. It probably will require the official count.

Taft by 136 Votes.
Baltimore, Md., Nov. 5.—The political pendulum has swung once more and on the face of unofficial returns Taft has carried Maryland by 136 votes.

Every precinct in the state has been heard from, and from but about a dozen the full figures on Taft and Bryan have been received. From the others have come as stated, the pluralities for one or the other as figured by the local correspondents. Using these figures, Taft's vote in state and city combined is 111,258 and Bryan's 111,117. In the city, with all the precincts reported on, Taft has 50,882 and Bryan 49,982, giving the city to the former by just 1,800. But here again the official count may change the apparent result.

While the Maryland delegation in congress remains unchanged in political complexion, it is changed in personnel. Kronmiller (Rep.) replaces Wolf (Dem.) in the Third district, and Covington (Dem.) succeeds Jack (Rep.) in the First.

Nebraska Democratic.

Lincoln, Neb., Nov. 5.—The returns are sufficiently definite to confirm and emphasize the first report that the Democrats have made a sweeping victory in Nebraska. Bryan will have a plurality of not less than 10,000, and Shellenberger, Democrat, for governor, and the balance of the Democratic ticket, about the same. At least four or probably five of Nebraska's six congressmen are Democratic, only one Republican, Hineshaw, in the Fourth district, being assured of escaping defeat.

The greatest surprise is the overwhelming majority the Democrats will have in the legislature. Of the 133 senators and representatives elected only 18 are Republicans.

Bryan Likes Nebraska Result.

While not caring to discuss at this time the political effect of the Democratic victory in his home state or analyze the causes, Bryan in a formal talk to a number of friends who called on him, expressed pleasure at the result in Nebraska and the satisfaction it afforded him to learn of the election of so many of his political friends.

"My heart has never been set on holding office," he said, "but I wanted to do certain works, and it joked
